Prayer for the week

Prayers throughout Lent tie in with the Lenten Cross Liturgy, and give us the opportunity for reflection through the week...

Matthew 27:27-37

Consider your hands...

When have your hands tended the suffering?

When do your actions show that your heart is wide open?

Jesus

as I followed you on the road to the cross

I hoped it would never come to this.

But here you are,

broken and bleeding,

human hands and hearts

having wrought their worst

on the hands and heart of God.

Let this not be the end.

May your hands

once more

tend to the sick and the suffering, and your heart

leap and beat with vitality and joy;

suffering overturned by love,

through the cross of death - life.

The next

Property Matters
If you come across a property problem at Trinity, such as a leaking tap, blocked drain, failed light bulb etc, please enter the details on the form pinned to the notice board in the entrance hall so that the F & P Committee can take the appropriate action. **Thank you.**

Church Car Park
At our recent Church Council we reflected that the car park has got very busy again. It would probably help if we reinstated the use of the chain across the entrance - so as you enter and leave, please remember to replace the chain. Also, the car park needs to be reserved for the organisations and members using the building. Since the building gets very busy, especially at certain times, please don't use the car park unless you are attending something in the church building. Doing so can prevent genuine clients and group members from being able to park. If you see anyone using the car park without authorisation, please do remember that you represent Jesus, and the church, so even if you are tempted to express your dissatisfaction, please be very polite! With thanks for your consideration.
